What is Barlife?

Barlife is the most widely read professional magazine among gastronomic experts in the Czech Republic.

Barlife is a specialized bi-monthly magazine designed mostly for professionals – owners and managers of higher and the highest class gastronomic businesses in Czech and Slovak Republics. It is also distributed to the largest wholesales and all of the hotel schools.

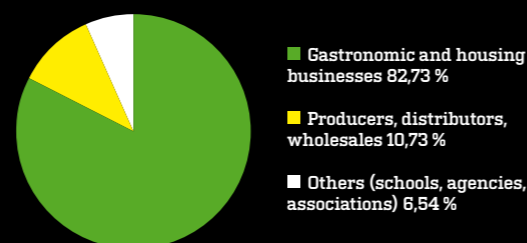

This respected and independent magazine is a source of education, inspiration and entertainment for its readers already for the fifth year. Barlife is an ideal tool for B2B communication.

Barlife is prestigious not only for business owners but as well among experts. This has been proved by the official cooperation with the Czech News Agency, iDnes, The IWSR (International Wine and Spirit Record) or British magazine Drinks International.

Professionals about Barlife

"Of course I know the Barlife magazine and I think you cannot pass it by. Moreover, as a gastronomist and reader I'm convinced that creators of Barlife are doing their job professionally within the F&B and gastronomic magazines."

Tomáš Karpíšek, Ambiente Group

"The Barlife magazine is very interesting for our business. In Slovakia, it is very hard to find such a magazine. Barlife inspires me. And not only me – our staff draws motives out of it as well and keeps learning lots of new things."

Anton Cigáň, Trafená Hus, Bratislava

"I read the Barlife magazine regularly. I'm not exaggerating to say that our new bar is inspired exclusively by your magazine and is based on lots of your advices."

Hynek Jonáš, Delirium and restaurant Cihelna, Ústí nad Labem

"The best magazine about drinks business in Central Europe."

Piotr Poznanski, The IWSR, London

"The hotel bar is no longer a boring empty lobby – now it is a place where guests can get great products, personal approach and professional service from skilled experts. Lots of useful information we obtain regularly from the Barlife magazine."

Martin Hamáček, Mandarin Oriental Hotel Prague

"Barlife provides me with new information and inspiration. I focus on specialized articles that enhance my knowledge in mixology. I consider this magazine as the best and I wish the whole production team well to keep the pace set very high."

Miroslav Řehoř, Žlutá Ponorka České Budějovice and Žlutá Opice Strakonice

Your magazine contributes greatly to students interested in barkeeping. Range of those who are interested is constantly growing and inspiring other students. Thank you for quality literature in gastronomy, every issue brings an interesting material for us.
